Mansoor Samo

Lecturer

CNIC Number: 4120340747001
Cell Phone: 03479644419
Email Id:
mansoorsamo85@gmail.com
Date of Birth: 20, November, 1988

EXPERIENCE

Mehran University of Engineering and Technology, Jamshoro, Sindh — *Lecturer*

December 2021 – to present

➢ Teaching Web Engineering and Computer Networks subjects to undergraduate students.

Esire Inc, Karachi — *Web Designer*

February 2017 – August 2017

➢ Create visually appealing and intuitive eCommerce interfaces for seamless navigation and engaging user experiences.

➢ Developing responsive web designs that adapt seamlessly to various devices and screen sizes, including desktops, tablets, and smartphones, to enhance accessibility and user experience.

➢ Collaborating closely with developers, content creators, and other team members to ensure the successful implementation of design elements and features, as well as to address any technical challenges or requirements.

Flashcom Services, Karachi — *Front-End Web Developer*

January 2014 – December 2016

➢ Designing and implementing user interfaces for web applications using HTML, CSS, and JavaScript to ensure a visually appealing and responsive experience across various devices and browsers.

➢ Developing responsive layouts and designs to optimize the user experience on different screen sizes, including desktops, tablets, and smartphones, using CSS frameworks like Bootstrap.

➢ Collaborating closely with UI/UX designers to translate design mockups into functional code, as well as working with back-end developers to integrate front-end components with server-side logic and databases.

Xcodelink, Karachi — *Front-End Web Developer*

November 2012 - April 2013

➢ Analyzing and optimizing website performance metrics, including page load times, rendering times, and resource utilization, through techniques such as image optimization, caching strategies, and code optimization.

➢ Developing interactive components and features using libraries and frameworks.

➢ Staying updated with latest trends, tools, and best practices in front-end development.

SKILLS

HTML5, CSS3, Bootstrap JavaScript / jQuery, WordPress, PHP, MySQL, Adobe Photoshop

CERTIFICATION

Software Development Training – Hidaya Institute of Science and Technology, Jamshoro, Sindh

LANGUAGES

Sindhi, Urdu, English, Chinese

EDUCATION

Chongqing University of Posts and Telecommunications, Chongqing, China — *Master of Engineering*

September 2017 - June 2021

I have completed Master of Engineering in Computer Science and Technology.

Mehran University of Engineering and Technology, Jamshoro, Sindh, Pakistan — *Bachelor of Engineering*

January 2007 - April 2012

I have completed Bachelor of Engineering in Software Engineering.

PUBLICATION

Jianjun Lei**, Mansoor Samo** Grouping-based Hybrid Channel Access Mechanism for Ultra-Dense IEEE 802.11ax Networks[C]// 10th Computer Science On-line Conference, Springer, Cham, 2021: 264-274.
